UK student Laptops Website Disclaimer

The information contained in this website is for general information purposes only. The information is provided by UK Student Laptops, and whilst we endeavour to keep the information up-to-date and correct, we make no representations or warranties of any kind, express or implied, about the completeness, accuracy, reliability, suitability or availability with respect to the website or the information, products, services, or related graphics contained on the website for any purpose. Any reliance you place on such information is therefore strictly at your own risk.

In no event will we be liable for any loss or damage including without limitation, indirect or consequential loss or damage, or any loss or damage whatsoever arising from loss of data or profits which may arise out of or in connection with the use of this website.

Through this website you may be able to link to other websites which are not under the control of UK Student Laptops. We have no control over the nature, content and availability of those sites. The inclusion of any links does not necessarily imply a recommendation or endorse the views expressed within them. (Please refer to our privacy policy for more details).

Every effort is made to keep the website up and running smoothly. However, UK Student Laptops takes no responsibility for and will not be liable for the website being temporarily unavailable due to technical issues beyond our control.

All manufacturer logos are held respective to their own companies, we cannot be held in affiliation with these manufacturers whatsoever.

All laptops are pre-installed with a genuine and activated version of Windows XP with a license. This license is held between the consumer (you) and the respective software company i.e. Microsoft. In the event of Windows reactivation for example; customers must contact Microsoft directly by using their online activation facility or using the 24hour phone number. UK Student Laptops are not responsible for licensing as this is a product of the software manufacturers and licensing companies.
